After watching So&So, write one thing that:

1. You liked:

2. You learned:

3. You'd like to know:

DAY 2: BUILD ON THE ROCK

Read Matthew 7:24-27

Jesus told a story about two builders, one wise and one foolish. The wise builder listened to Jesus' words and put them into practice, building on solid rock. The foolish builder heard the same words but ignored them, building on sand. When storms came, only one house stood firm. Practicing hearing from God means listening carefully and then doing what He says.

You can hear from God through the Bible, through the Holy Spirit speaking to your heart, and through the wise words of other believers. But hearing is only the first step; real

strength comes when you act on what you've heard.

Circle the correct choice.

Who is like the wise builder?

- A) Someone who hears God's words but ignores them
- B) Someone who hears God's words and obeys them
- C) Someone who never listens to God's words

DAY 3: LISTENING TO THE SHEPHERD'S VOICE

Read John 10:27-28

Jesus said, "My sheep listen to my voice; I know them, and they follow me." Just like sheep know their shepherd's voice and trust it, we can learn to recognize God's voice in our own lives. God speaks through the Bible, the Holy Spirit, and the wise words of people who follow Jesus. Make time to read His Word, and being quiet enough to notice His guidance.

It also means checking what we think we've heard against the truth in Scripture; God will never tell us something that goes against His Word. Today, make a choice to listen for God's voice and follow it. When you hear Him through Scripture, prayer, or godly advice, take a step of obedience right away. That's how your spiritual ears grow stronger.

Quiet Time

Find a quiet spot at home today. For five minutes, read a short Bible passage, then write down one thing you think God might be saying to you.

DAY 4: HEARING GOD THROUGH HIS WORD

Read Psalm 119:105–112

Just as a lamp helps you see where to step in the dark, God's Word shows you how to make wise choices. The Bible is more than a book; it's God's voice on every page. When you read it, you're not just learning information; you're listening to Him. Sometimes a verse will give you courage. Other times, it may challenge you to change your attitude or actions. And often, it will remind you of God's promises so you can trust Him more. You can start making time to read Scripture and ask the Holy Spirit to help you understand it. The more you read, the easier it becomes to notice His voice leading you in the right direction.

“One verse that stood out to me today is

“God is telling me _____.”

DAY 5: HOW TO LEARN GOD'S VOICE

Read Psalm 46:10; John 10:14–16

When you talk to God and pause to listen, you begin to notice the ways He leads you. Being around other believers also helps, because they can confirm what you're hearing and share how God has spoken to them. Over time, you'll be able to tell the difference between God's voice and all the other noise in your life. Like Jesus said in John 10, His sheep follow Him because they know His voice.

“God, help me spend more time with You so I can know and follow Your voice. Teach me to listen closely and obey quickly. In Jesus’ name, amen.”
