DAY 2

Read Psalm 23

Have you ever been on a really wild roller coaster? One minute you're climbing high, the next you're swooping down! Life can feel like that, right? One day you're excited, the next sad or worried.

King David, who wrote many Psalms, knew about big feelings. Before he was king, he was a shepherd boy in nature, much like in Psalm 23. He watched his sheep, writing songs about God's amazing creation. David learned that God is like a good shepherd, always caring for His sheep, no matter how tough the path.

Just as a shepherd guides his sheep to green pastures, God wants to guide your emotions. Even when life feels wild or scary, God is right there, helping you find peace and rest. He guides us, restores our souls when weary, and walks with us through everything. It's okay to have all sorts of feelings. The wisest choice is to bring every single one to God! He understands and will help.

When have you felt a roller coaster of emotions?

DAY 3

Read Psalm 8

Have you ever faced a tricky problem or a tough decision? What did you do? You might ask for help, or think really hard.

King David, even as a shepherd boy, made incredibly wise choices because he trusted God. Remember how he faced Goliath? Everyone else was scared, but David relied on God's power. That was a super wise choice! Because of his wisdom and bravery, King Saul invited David to play music for him and lead his army.

Psalm 8 reminds us how truly amazing God is. He made everything in the universe, from tiny bugs to huge stars! If God is that powerful and wise, imagine how much wisdom He can give you! When you focus on God, you can ask Him for help to make wise choices every day. Whether it's picking good friends, being kind, or studying, God gives us wisdom.

One wise choice I want to make this week is:

Read Psalm 18

Draw a picture of something that reminds you of God being your “rock” or “fortress” when things are tough. It could be a strong castle, a cozy fort, or anything that makes you feel safe and secure. Hang it up where you can see it to help you remember to trust God.

This image shows a single sheet of white paper with horizontal blue ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Read Psalm 1

Pray today, thanking God for His word, the Bible!
