

Creekwood Family,

I want you to know that Thelisa and I, along with our staff, are really praying and speaking blessings of protection over you. As circumstances around us continue to generate unknowns, do not be overcome with fear and anxiety. God is in control, He is good, and we can trust Him fully.

You may be asking yourself how Creekwood plans to continue to minister to our church family during this time. I'm excited to tell you that **for the foreseeable future we will be offering Church at Home; online messages for you and your family accessible on our website. This will include resources for Critters, Kids, and Students, too. We will not be offering any services or events in the church facilities during this time.**

Remember, church is not defined by a building. **WE** are the church. Let's travel through this unique time in history confidently synching our minds with God. He wants to show himself strong in your life throughout the duration of these circumstances.

Look for new weekly messages and resources posted to our website Saturday afternoons. We will notify you via email and through the app as new messages are added. Get ready to enjoy Church at Home this weekend, Creekwood!

I love being your Pastor!

Stephen Nutt
Lead Pastor
