

2025 Impact

Dear Creekwood Family,

Looking back on this past year, I cannot help but be amazed by what God is doing in and through our church family. You have been overwhelmingly generous with your time, prayers, and encouragement throughout this year. 2025 marked the first full year of services at our new campus. We praise God for His provision and for each person that worshiped with us this past year. It is because of His faithfulness and His love for us that we can love others. Creekwood is, and always has been, about God's people. People like you and your family. People like the first time guests we meet each Sunday. People like the Critters, Kids, and Students that learn about Jesus in our Next Gen ministries. We know that God cares about people, so we will care about them too.

We have seen this love for God's people in you and those around you. We see it in our First Impressions Team, as they welcome every single person to church each Sunday. This love is shown through our Creative Team as they lead the church in worshiping our Heavenly Father every weekend. God's love is evident in our dedicated volunteers who teach the next generation how to be fully devoted followers of Christ. I see it in our Prayer Team as they pray over the individual needs of our Creekwood family. We witnessed it on Serve Day when you went into our community to serve our neighbors at over 70 different projects. God's love is strong in this church body. Creekwood, I thank you for serving in a way that shows God's love so well.

As we look forward to this next year, I want to challenge you to keep pressing into what God has in store for you. Keep giving, serving, and praying. Be faithful in what God has given you, no matter if it is a little or a lot. I believe that God has big plans for your life. He wants you to live in the freedom and love that can only be found through Jesus.

Creekwood, this year has been amazing, but the best is yet to come! Let's thank God for all He has done in 2025 and pray for all He has planned for 2026. Thank you for loving people well. I am honored to be your pastor.

With gratitude and love,

Pastor Stephen

Serve Day

This year, we got to set aside a Sunday to serve our city through a church-wide event called Serve Day. Over a thousand Creekwood volunteers met the needs of our neighbors through various service projects. We were able to serve single parents, families in need, widows, the elderly, and local organizations that help those in need.

New Campus

2025 was our first full year at Creekwood's new campus. This campus has given us more room to welcome more people to our church. We have seen God work through Sunday services, our incredible Student ministry, and events like the Men's Breakfast, Women's Breakfast, and Night of Worship. God has certainly done more than we could have imagined!

Next Gen Summer

Summer is the best time to be a kid in our Next Gen ministry! In 2025, we saw an incredible amount of kids and students build friendships at camps, have a blast at Summer Jam, and grow in their faith and trust in God.

CW: Students **Locked-In**

We are never more like Jesus than when we are serving others. In 2025, our Student ministry held an event called Locked-In, a 12-hour gaming and fundraising event designed to help families at Creekwood. All proceeds will go towards camp scholarships for kids and students who otherwise could not afford to attend camp.

Child Dedication

We love the next generation at Creekwood! One of the sweetest moments we get to be a part of in a family's life is Child Dedication. Parents get to attend a Child Dedication class where they learn exactly what it means to dedicate their child's life to God and the whole family is invited to attend the ceremony. We love celebrating the decision to dedicate these children to the Lord!

Water Baptism

Every year, we love celebrating Water Baptism with new Christ followers, their families, and the Creekwood community. It is truly amazing to witness so many people go public with their faith and declare that Jesus is their Savior!

Life Groups

We believe life change best happens through authentic relationships. Time and time again, we hear stories of lives being transformed through Life Groups, and this year was no different.

Our Volunteers

Creekwood would not be what it is without our dedicated team of volunteers. Our volunteers welcome new guests, pray for others, lead us into worship, teach our kids and students, keep our campus beautiful, and so much more. We are so thankful that they have chosen to use their gifts for the glory of God.
